Our Newest Prayer Letter

September 2019

Dear Pastors, Friends, & Family,

I hope you all enjoyed the video last month. I thought a change of pace would be good, and I really wanted you to see what God has done with the building, especially considering so many of you sent offerings to help and some of you were even able to come help with the work. We truly are grateful for everything all of you have done for us!

I trust you all had a great summer. Summer here gets crazy! Millions of tourists descend upon Palma de Mallorca from about the end of May through the beginning of September. Mallorca is the vacation destination for

Europeans. With everyone being here, our travel time inside the city triples. What would normally take you ten minutes takes thirty in the summer. Another interesting thing that happens here is that a lot of the residents leave for the summer; most of them are gone for the entire month of August and some for July and August. That is all over now. The boys have started homeschooling and basketball practice. So our city is getting back in to the swing of normal life, whatever normal is on a tourist destination island in the mediterranean sea.

As far as the church is concerned, we had nineteen people for our first Sunday, which I wrote about back in July. Throughout July and August, all but one Sunday, it was just the four of us. We never really got discouraged because we could see God working Monday through Saturday. I'm thankful we serve a God who is not limited as to when and where He can work. That being said, we were super excited when a Filipino man named Eli contacted me. He has been living here for a year and looking for a Baptist church. He came four weeks in a row by himself before convincing his catholic wife, Jelisa, to come with him two weeks ago. Last week she came back and brought two visitors with her! As we sat and talked around a few snacks she and one of her friends took a copy of the book *Done* by Carry Schmidt and a Bible. She said she would be back next week and took a stack of tracts to invite other people. Please pray for her salvation. Eli speaks English but not Spanish, and his wife is the opposite. So our services are now bilingual. We truly love this unique place God has called us to

Thank you for your prayers and support,
Markie Bullock
